The closing of the licensed premises for at least six (6) months shall be prima facie evidence of the abandonment, unless extended by the Village Board. All persons issued a license to sell alcohol beverages in the village for which a quota exists limiting the number of such licenses that may be issued by the Village shall cause such business described in such license to be operated on the premises described in such license for at least one hundred fifty (150) days during the terms of such license, unless such license is issued for a term of less than one hundred eighty (180) days, in which event this Subsection shall not apply.

Regardless of the date given, all notices shall expire and be deemed canceled no later than the date of expiration or revocation of the applicable retail Class "B", "Class B", or "Class C" license.
2. During the period of any non-alcohol event, a notice card prescribed by the Village shall be posted at all public entrances to the licensed premises notifying the general public that no alcohol beverages may be consumed, sold, or given away on or carried into the licensed premises during the event. Such notice cards shall be made available by the Village to a requesting Licensee.

Stats., no premises operated under a Class "A", Class "B", or "Class C" license or permit may be open for business unless there is upon the premises the Licensee or permittee, the agent named in the license or permit if the Licensee or permittee is a corporation, or some person who has an operator's license and who is responsible for the acts of all persons serving any fermented malt beverages to customers. An operator's license issued in respect to a vessel under Sec. 125.27(2), Wis. Stats., is valid outside the municipality that issues it. For the purpose of this Section, any person holding a manager's license under Sec. 125.18, Wis. Stats., or any member of the Licensee's or permittee's immediate family who has attained the age of eighteen (18), shall be considered the holder of an operator's license. No person, including a member of the Licensee's or permittee's immediate family, other than the Licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A", Class "B", or "Class C" license or permit unless he or she has an operator's license or is at least eighteen (18) years of age and is under the immediate supervision of the Licensee, permittee, agent, or a person holding an operator's license, who is on the premises at the time of service.

B. Procedure Upon Application.

The Village Board may issue an operator's license, which license shall be granted only upon application in writing on forms to be obtained from the Village Clerk-Treasurer only to persons eighteen (18) years of age or older. Operator's licenses shall be operative only within the limits of the Village.
2. All applications are subject to an investigation by Village-designated law enforcement authorities and/or other appropriate authority to determine whether the applicant and/or premises to be licensed complies with all regulations, ordinances, and laws applicable thereto. The investigating authority shall conduct an investigation of the applicant including, but not limited to, requesting information from the State, surrounding municipalities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the investigating authority shall recommend, in writing, to the Village Board approval or denial of the application. If the investigating authority recommends denial, the investigating authority shall provide, in writing, the reasons for such recommendation.

C. Duration.

Licenses issued under the provisions of this Section shall be valid for a period of one (1) year.

1. **Fee.** The fee for a one (1) year operator's license shall be Ten Dollars (\$10.00). The non-refundable fee for a provisional license shall be Five Dollars (\$5.00). There shall be no fee for a temporary operator's license.
2. **Provisional License.** The Village Clerk-Treasurer may issue provisional operator's licenses in accordance with Sec. 125.17(5), Wis. Stats. The provisional operator's license shall expire sixty

(60) days after its issuance or when an operator's license is issued to the holder, whichever is sooner. The Police Department shall submit to the Clerk-Treasurer a report regarding the applicant's conviction history, if any. The applicant for such provisional license must present evidence to the Clerk-Treasurer establishing that the applicant is enrolled in an Alcohol Awareness Training Program established pursuant to Sec. 125.17(6), Wis. Stats. The Village Clerk-Treasurer may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his/her successful completion of the approved program, and the applicant shall also apply for a regular operator's license. No such Provisional Operator's License shall be issued prior to a waiting period of less than ninety-six (96) hours [four (4) days], and the completion of a background check subject to limitations established by law. A provisional license may not be issued to any person who has been denied an operator's license by the Village Board, who has had his/her operator's license revoked or suspended within the preceding twelve (12) months, or who previously held an operator's license and who failed to complete the Alcohol Awareness Training Program without first successfully completing the program. No person shall be issued more than three (3) provisional licenses in any twelve (12) month period. The Village Clerk-Treasurer shall provide an appropriate application form to be completed in full by the applicant. The Village Clerk-Treasurer may revoke the provisional license issued if he/she discovers that the holder of the license made a false statement on the application. A provisional license shall not be renewed.

3. **Temporary License.** The Village Clerk-Treasurer may issue a temporary operator's license provided that:
 - a. This license may be issued only to operators employed by, or donating their services to, non-profit corporations.
 - b. No person may hold more than one (1) license of this kind per year.
 - c. The license is valid for any period from one (1) day to fourteen (14) days, and the period for which is it valid shall be stated on the license.

D. Issuance or Denial of Operator's Licenses.

1. After the Village Board approves the granting of an operator's license, the Village Clerk-Treasurer shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.
2.
 - a) If the application is denied by the Village Board, the Village Clerk-Treasurer shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by registered mail to, or served upon, the applicant at least ten (10) days prior to the Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.
 - b) If, upon reconsideration, the Board again denied the application, the Village Clerk-Treasurer shall notify the applicant in writing of the reasons therefore. An applicant who is denied any license upon reconsideration of the matter may apply to Circuit Court pursuant to Sec. 125.12(2)(d), Wis. Stats., for review.
3.
 - a) Consideration for the granting or denial of a license will be based on:
 - 1) Arrest and conviction record of the applicant, subject to the limitations imposed by Sections 111.321, 111.322, and 111.335 Wis. Stats.;
 - 2) The financial responsibility of the applicant;

- 3) The appropriateness of the location and the premises where the licensed business is to be conducted; and
 - 4) Generally, the applicant's fitness for the trust to be reposed.
- b) If a Licensee is convicted of an offense substantially related to the licensed activity, the Village Board may act to revoke or suspend the license.
4. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned), or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and the facts and circumstances of the offense when making the determination to grant, deny, or not renew a license. Further, the Village Board may, at its discretion based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.

E. Training Course.

1. Except as provided in Subsection 2. below, the Village Board may not issue an operator's license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical, and adult education district and that conforms to the curriculum guidelines specified by the board of vocational, technical, and adult education or a comparable training course that is approved by the educational approval board or unless the applicant fulfills one of the following requirements:
 - a) The person is renewing an operator's license.
 - b) Within the past two (2) years, the person held a Class "A", Class "B", "Class A", "Class B", or "Class C" license or permit or a manager's or operator's license.
 - c) Within the past two (2) years, the person has completed such a training course.
2. The Village Board may issue a provisional operator's license to a person who is enrolled in a training course under Subsection 1. above and shall revoke that license if the applicant fails successfully to complete the course in which he or she enrolls.
3. The Village Board may not require that applicants for operators' licenses undergo training in addition to that under Subsection 1., but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection 1.

F. Display of License.

Each license issued under the provisions of this Section shall be posted on the premises whenever the operator dispenses beverages or be in his/her possession, or carry a license card.

G. Revocation of Operator's License.

Violation of any of the terms or provisions of the State law or of this Section relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license.

III. Penalties

- A. Forfeitures for violations of Sections 125.07(1)-(5) and 125.09(2), Wis. Stats., adopted by reference in Section I.A. of this Ordinance shall conform to the forfeiture penalty permitted to be imposed for violations of the comparable State Statute, including any variations or increases for subsequent offenses.

- B. Any person who shall violate any provision of this Ordinance, except as otherwise provided in Subsection 1. herein or who shall conduct any activity or make any sale for which a license is required without a license, shall be subject to a forfeiture as provided in the general penalty section of this Ordinance.
- C. Nothing herein shall preclude or affect the power of the sentencing court to exercise additional authorities granted by the Wisconsin Statutes.
