The Village Board of the Village of Dorchester, Clark & Marathon Counties, Wisconsin, does hereby ordain as follows:

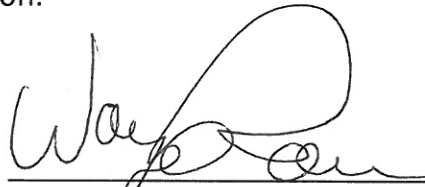

As of June 7, 2017, the Village of Dorchester adopts this Ordinance changing the frequency of building and business preventative fire inspections from twice annually to once annually in accordance with SBS-314.01 (13.7) which states:

“Local ordinances for reducing the frequency of inspections, where authorized by local ordinance, a city, village or town may reduce the inspections required under subd. 3 to at least once per calendar year provided the interval between those inspections does not exceed 15 months.”

And, furthermore, where violations are found, the Central Fire & EMS District will conduct a follow-up inspection to assure compliance within 2 calendar months of the violation date. Non-compliance with the fire inspection will result in further actions taken by the Central Fire & EMS District and State of Wisconsin specific to SBS-214.
