CLARK & MARATHON COUNTIES

RESOLUTION 289: ADOPTING A RESIDENTIAL ANTIDISPLACEMENT AND RELOCATION ASSISTANCE PLAN FOR CDBG PROGRAMS

This Residential Anti-Displacement and Relocation Assistance Plan (RARAP) is prepared by the Village of Dorchester in accordance with the Housing and Community Development Act of 1974, as amended; and HUD regulations at 24 CFR 42.325 and is applicable to our CDBG¹ projects.

Minimize Displacement

Consistent with the goals and objectives of activities assisted under the Act, the Village of Dorchester will take the following steps to minimize the direct and indirect displacement of persons from their homes:

- Stage rehabilitation of apartment units to allow tenants to remain in the building/complex during and after the rehabilitation, working with empty units first.
- Arrange for facilities to house persons who must be relocated temporarily during rehabilitation.
- Where feasible, give priority to rehabilitation of housing, as opposed to demolition, to avoid displacement.
- If feasible, demolish or convert only dwelling units that are not occupied or vacant occupiable dwelling units (especially those units which are “lower-income dwelling units” as defined in 24 CFR 42.305).
- Target only those properties deemed essential to the need or success of the project.

Relocation Assistance to Displaced Persons

The Village of Dorchester will provide relocation assistance for lower-income tenants who, in connection with an activity assisted under the CDBG Program, move permanently or move personal property from real property as a direct result of the demolition of any dwelling unit or the conversion of a lower-income dwelling unit in accordance with the requirements of 24 CFR 42.350. A displaced person who is not a lower income tenant, will be provided relocation assistance in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR Part 24.

¹ CDBG programs include: Entitlement Community Development Block Grant (CDBG) Program, State CDBG Program, CDBG Small Cities Program, Section 108 Loan Guarantee Program, CDBG Special Purpose Grants Program, and the Neighborhood Stabilization Program (NSP).

Before entering into a contract committing the Village of Dorchester to provide funds for a project that will directly result in demolition or conversion of lower-income dwelling units, the Village of Dorchester will make public, by publication in the Abbotsford Record-Review, and submit to HUD and the Wisconsin Department of Administration the following information in writing:

Replacement not Required Based on Unit Availability
