

RESOLUTION #242

THE VILLAGE OF DORCHESTER IS APPLYING TO PARTICIPATE IN THE NATIONAL FLOOD INSURANCE PROGRAM

WHEREAS, certain areas of the Village of Dorchester are subject to periodic flooding, mudslides (i.e., mudflows), or flood-related erosion, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Village Board to require the recognition and evaluation of flood, mudslide (ie., mudflows), or flood-related erosion hazards in all official actions relating to land use in areas having these hazards; and

WHEREAS this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to

NOW, THEREFORE, BE IT RESOLVED, that this Village Board hereby:

1. Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force those areas having flood, mudslide (i.e., mudflow), or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 59 et.seq., of the National Flood Insurance Program Regulations; and
2. Vests the Village President with the responsibility, authority, and means to:
 - (a) Assist the Administrator, at his/her request, in the delineation of the limits of the area having special flood, mudslide, or flood-related erosion hazards.
 - (b) Provide information the Administrator may request concerning present uses and occupancy of the flood plain, mudslide or flood-related erosion areas.
 - (c) Cooperate with Federal, State and local agencies and private firms

which undertake to study, survey, map and identify floodplain, mudflow, or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining flood plain, mudslide and/or flood-related erosion areas in order to prevent aggravation of existing hazards.

- (d) Submit, on forms provided by the Administrator, an annual report on progress made during the past year within the community in the development and implementation of flood plain management measures.
 - (e) Upon occurrence, notify the Administrator in writing whenever the boundaries of the community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. Include an accurate corporate limits or new area for which the community has assumed or relinquished flood plain management regulatory authority. The community will use the Flood Insurance Rate Map or Flood Hazard Boundary Map published for the community from which land areas were annexed or from that political entity that previously had regulatory authority until the Administrator provides a map using the new corporate limits.
3. Appoints the Village President to maintain for public inspection and to furnish upon request (for determining flood insurance premium rates), the following information on all new and substantially improved structures constructed within the identified special flood hazard area:
- a. the actual (as-built) lowest floor (including basement) elevation in relation to mean sea level;
 - b. any certificates of flood-proofing
 - c. whether or not a building has a basement;
 - d. for all floodproofed structures, the elevation to which the structure has been floodproofed
4. Agrees to take such other official action as may be reasonably necessary to carry out objectives of the program.
