

RESOLUTION 248

**A RESOLUTION APPROVING A NATURAL HAZARDS MITIGATION PLAN
FOR THE VILLAGE OF DORCHESTER**

WHEREAS, hazard mitigation planning is the process of developing a set of actions designed to reduce or eliminate long-term risk to people, businesses, infrastructure, and property from hazards and their effects; and,

WHEREAS, Clark County has worked through its Local Emergency Planning Committee (LEPC), with representation from local municipalities and emergency response providers, to develop the *Clark County Natural Hazards Mitigation Plan, 2010 to 2015* to assess the magnitude of hazard risks and develop strategies for minimizing or reducing these risks; and,

WHEREAS, the Village of Dorchester participated in the planning process through a meeting with community representatives to identify hazard risks, vulnerabilities, and strategies unique to the community, as well as through the review of draft plan materials; and,

WHEREAS, the Plan was reviewed and preliminarily approved by Wisconsin Emergency Management as meeting the requirements of the Federal Disaster Mitigation Act of 2000 and applicable Code of Federal Regulations; and,

WHEREAS, adoption of the Plan by the Village Board will meet prerequisite requirements which enables the Village of Dorchester to apply for FEMA grant dollars for hazard mitigation projects;

NOW, THEREFORE BE IT RESOLVED, the Village Board adopts the *Clark County Natural Hazards Mitigation Plan, 2010-2015* as the official all hazards mitigation plan for the Village of Dorchester with the intent of implementing the plan recommendations as funding and resources allow.

Adopted this 1st day of September, 2010.
